

Draft TOR and Work Plan for Developing the National Strategy

NATIONAL PLANNING WORKSHOP

Developing a National Strategy to Strengthen Human Resource Capacities and Skills to Advance Green, Low Emission and Climate Resilient Development

Jakarta, October 9, 2012

PROJECT IN BRIEF

UN CC:LEARN PILOT PROJECT

 In May 2012, DNPI and UNITAR signed a Memorandum of Understanding concerning the project "UN CC:Learn Pilot Project to Strengthen Human Resources, Learning and Skills Development to Address Climate Change".

GOALS:

- to support Indonesia in taking a strategic, long-term and result-oriented approach to climate change learning and skills development.
- the development of a National Strategy, Indonesia will review existing institutional and individual capacities in the area of climate change learning and identify priority action including mainstreaming of climate change learning within existing initiatives and institutions.

SCOPE OF MOU
