

INCLUSIVE GREEN ECONOMY IN MAURITIUS

What Skills Do We Need?

Date: 3 April 2017

Location: Le Sirius, Le Labourdonais Hotel, Caudan Waterfront, Port Louis

Workshop Agenda

Background

The Ministry of Civil Service and Administrative Reforms (MCSAR), the Civil Service College, Mauritius, and the Partnership for Action on Green Economy (PAGE) are pleased to welcome you to the workshop “Inclusive Green Economy (IGE) in Mauritius: What skills do we need”.

PAGE consists of five UN agencies – UN Environment, International Labour Organization (ILO), UN Development Programme (UNDP), UN Industrial Development Organization (UNIDO), and UN Institute for Training and Research (UNITAR) – who are combining their respective expertise and networks to support countries seeking to advance inclusive green economy.

PAGE provides support to the Government of Mauritius through advisory and capacity building services. In collaboration with the MCSAR and the Civil Service College, Mauritius, PAGE is supporting national institutions in providing effective capacity building for IGE to civil servants in Mauritius.

Objectives of the workshop

The goal of the workshop is to increase the awareness of public officers and related stakeholders in Mauritius of the knowledge and capacities needed to develop and implement measures that advance inclusive green economy in Mauritius. The specific objectives of the workshop include:

- Increase awareness of the rationale for IGE
- Highlight the linkages between IGE and the development priorities of Mauritius
- Facilitate a dialogue and identify capacities and skills needed for IGE in Mauritius
- Raise awareness of the capacity building possibilities offered by Civil Service College Mauritius
- Discuss the objectives of PAGE and the services it provides.
