BACKGROUND

This workshop contributes to improve local financing system at the local and international levels.

EVENT OBJECTIVES

Identifying efficient ways of financing by taking into consideration local needs and the potential for obtaining resources.

LEARNING OBJECTIVES

At the end of this workshop, participants will be able to identify complementary financing mechanisms, which guarantee the precise services and investments and promote the necessary development and growth at the local level.

CONTENT AND STRUCTURE

This workshop covers the following topics:

- Economic scenarios: Labor and tax reform for Ecuador

- Provincial climate change diagnoses
- Project Financing Alternatives and APPs, SDG 17
- Stock Market Financing Alternatives - Management of resources through trust

METHODOLOGY

This workshop is comprised of lectures, practical exercises and answer and question sessions.

TARGETED AUDIENCE

Public officers related to finance matters.
