UNITAR Hiroshima expresses condolences for the victims of the Sendai Earthquake and Tsunami

The United Nations Institute for Training and Research (UNITAR) Hiroshima Office joins with other UN Agencies around the world in expressing its condolences to the people of Japan following the devastating earthquake and subsequent tsunami which struck on 11 March 2011. We also echo the United Nations Secretary-General's remarks expressing his condolences to those who have lost family and friends.(SG/SM/13437)

In addition, the office thanks its partners, alumni and participants from around the globe who have sent messages of support and condolence.

UNITAR wishes the very best to the rescue and support teams who have been mobilized in response to this emergency as well as to the Japanese people themselves.

End.
