Factsheet
Learning Solutions

The **Learning Solutions** team is an innovation hub within the Division for Peace enhancing the quality and the impact of our projects.
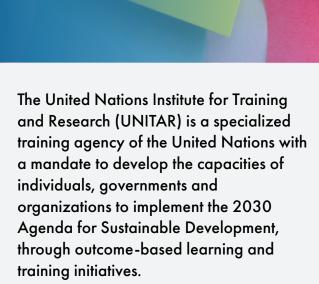

Our Expertise

DESIGN, DELIVERY and EVALUATION of capacity building programs with impact.

METHODOLOGICAL ADVISORY services for organizations and Subject Matter Experts.

STRATEGIC PLANNING for capacity building initiatives, from targeting the right problems towards optimal solutions.

The United Nations Institute for Training and Research (UNITAR) is a specialized training agency of the United Nations with a mandate to develop the capacities of individuals, governments and organizations to implement the 2030 Agenda for Sustainable Development, through outcome-based learning and training initiatives.

Within the framework of UNITAR, the Division for Peace supports the (re-) establishment of peaceful, just and inclusive societies (SDG 16) by enabling individuals and organizations to contribute meaningfully to sustainable peace.

The Learning Solutions team embodies the cutting-edge and forward-thinking culture of the UN 2.0 Quintet of Change. The team leverages data, innovation, digital expertise, strategic foresight and behavioural science to devise impactful learning solutions which catalyse the 2030 SDGs.
