### 3. Major Challenges

- **Implementation Challenges**
  - Human Resource
  - Technical Resource
  - Financial Resource
- **Coordination Challenges**
  - Institutional “Segregation”
  - Institutional “Cluttering”
- **Results & Accountability Challenges**
  - Lack of a “Results Culture”
  - Weaknesses in M&E
- **Governance Challenges**
  - Risk of reversals with changes in political administrations over time
  - Risk of lost momentum in sustaining interest and engagement of general public wrt to SDGs and sustainable development policies and practices

### 4. Innovative Practices

- Establishment of Sustainable Development Institute
- Sustainable Development Legislation
