Dear student. We have upgraded our UNITAR Online Catalogue platform, so after a month we will disable this login form and request students to connect to the Learnatunitar.org platform only through the UNITAR Online Catalogue platform. Therefore, you will need to have an active account in UNITAR Online Catalogue, so in case you never accessed to that platform, go there and use the mail used to configure your Learnatunitar.org account and password and follow further instructions. If you previously connect through the button "Login with unitar.org/event", please use the "Login in using event.unitar.org" button instead.

Login through Online Catalogue

3. You may be asked to enter your event.unitar.org credentials again. Please do so if that is the case.

LOG IN TO YOUR ACCOUNT

4. Once logged in, click on **Site home** and then on **Chemicals and Waste Management**.

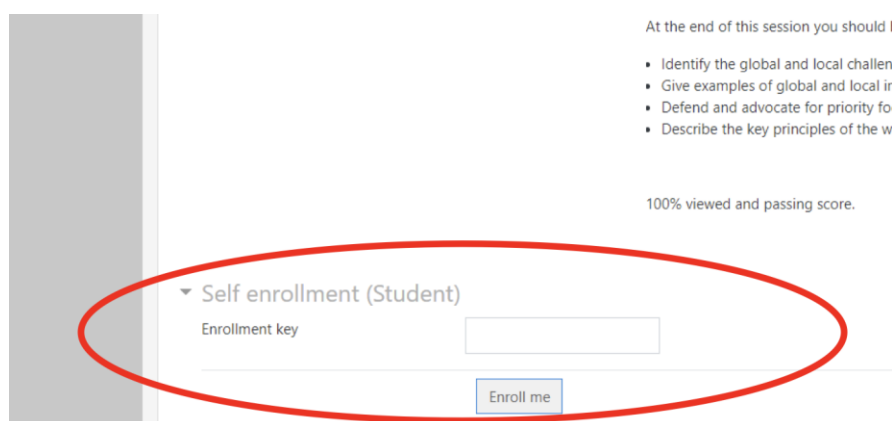

The screenshot shows the UNITAR Home dashboard. The top navigation bar includes the URL 'learnatunitar.org' and 'UNITAR Home'. A left sidebar contains a menu with items: Dashboard, Site home (highlighted in blue), Calendar, Private files, My courses, and WMCE-2021_1. A red circle with the number '1' and an arrow points to the 'Site home' menu item. The main content area features the UNITAR logo and a 'Course categories' section. Under 'Course categories', there is a list of categories: Capacity for the 2030 Agenda (1), Knowledge Systems Innovation, and Miscellaneous (10). The 'Capacity for the 2030 Agenda' category is expanded, showing sub-items: Online Courses (2), Online training (4), Toolkits, Learning reinforcement (2), Chemicals and Waste Management (14), Internal Training (1), and Miscellaneous (10). A red circle with the number '2' and an arrow points to the 'Chemicals and Waste Management (14)' sub-item.

5. Choose **Waste Management and Circular Economy Course** from the list.

6. In the **Self enrollment (Student)** section, please enter the Enrollment Key, which is **Welcome2021**, and click on **Enroll me**.

You should now be able to access the course and start your learning. Good luck!

If you have any problems or questions, please contact cwm@unitar.org
