

# Master Degree in Global Sustainability Leadership

The Master Degree and Post-Graduate Certificate in Global Sustainability Leadership are the result of a unique partnership between Technological University Dublin and the United Nations Institute for Training and Research.

## AT A GLANCE

The course will develop leaders in sustainability, peacebuilding, and conflict resolution, and champions of the United Nations (UN) Sustainable Development Goals (SDGs). It is unique in the global education market, with innovative teaching and learning, a diverse global lecturing team, and impact at its core.

Starting in  
**SEPTEMBER  
2024**
