Timeline

Day 1 (Friday, 14 November):

All times in Eastern Standard Time (EST)

- **8:30am:** Opening Remarks
- **8:45am:** Introduction to MotoAI & Hackathon Format:
 - Overview of objectives and thematic tracks
 - Introduction to mentors and judges
- **9:30am:** Breakout Rooms
 - Each track has a breakout room with its dedicated teams.
 - The objectives of the specific track are shared by the tracks judges.
- **10:00am:** Work Session
 - Each team enters their own breakout rooms and begins to plan their approach.
 - This includes 2 hours of work to collaborate and develop ideas. During this time, mentors from CIFAL York and the tracks judging panel will be available to answer questions and provide guidance.
- **12:00pm:** Debrief and Wrap-Up of Day 1
 - Recap of progress, next steps, and open Q&A
 - Teams may continue developing ideas independently before Day 2

Day 2 (Saturday, 15 November):

All times in Eastern Standard Time (EST)

- **8:30am:** Day 2 Kick-off and Final Instructions
 - Quick introduction for format of day two and convening of all participants.
- **9:00am:** Work Session
 - Teams enter their own breakout rooms, finalize concepts and prepare pitch presentations (3 hours)
- **12:00pm:** Pitch Session
 - All teams enter their track breakout rooms and begin to present their product or design.
 - 90 minutes of presentations.
- **1:30pm:** Wrap-Up and Closing
 - Once presentations are over participants can exit the hackathon.
 - Judges will convene after lunch and decide winners.
 - Winners will be announced through social media platforms and rewards will be given out.
