1-2 MAJOR CHALLENGES SXM

SXM faces or has faced in promoting an integrated implementation of the SDGs.

- We Need **Stability in Government & Political will** (Governments to take more control and responsibility to change policy priorities and spending allocations, and look to their own domestic resource mobilization.

- The completion of a **National Vision & the drafting of a National Development plan.**
As good practices, SXM has experimented on integrated implementation of the SDGs:

- **The approach of informing YOUNGSTERS and Teachers on SDGs (theory) and connect SDGs with Art forms by exploring problems of (inter) connecting SDGs and create (practice) expressions of problems & solutions thereof;**

- **USM Seminars/Radio talk show:** general public to Discussions on SDG topics after presenting SDGs from different angles by NGO’s-Private Sector-Government;
1. No Poverty
2. Zero Hunger
