

# Integrated Policies and Policy Coherence for SDGs in the Caribbean SIDS Workshop

13-15 November ,  
Port of Spain, Trinidad and  
Tobago

Presentation on SDG Implementation  
in Saint Lucia  
Kerry Joseph  
Deputy Chief Economist  
Department of Economic Development

# KEY ACHIEVEMENTS

- \* Establishment of a Sustainable Development Goal National Coordinating Committee (approved by Cabinet in 2017) and an SDG Ministerial sub-committee
- \* Conducted a Rapid Integrated Assessment in 2018 and A Mainstreaming, Accelerated and Policy support mission in 2019.

# MAJOR CHALLENGES

- \* Lack of reliable statistical data required to report on selected indicators and targets
- \* Resource Mobilisation to facilitate localisation and greater awareness of the SDGs

# GOOD PRACTICES

- \* Extensive stakeholder consultations to raise public awareness on the SDGs
- \* Incorporation in National Framework ;Medium Term Development Strategy
- \* National Coordinating Mechanism
