

INTERNATIONAL ENVIRONMENTAL LAW

SELF-PACED ONLINE COURSE

REGISTER NOW!

What will I learn?

This course will provide you with the basics of International Environmental Law (IEL) by identifying its sources and fundamental principles, the law-making process, its main actors, as well as the implementation and compliance procedures needed to understand and apply Multilateral Environmental Agreements.

Is this course for me?

All stakeholders - government officials, international civil servants, lawyers, judges, NGO representatives, academics, private sector professionals and international organizations - interested to learn the basics of international environmental law can benefit from the course.

Will I receive a Certificate?

All participants who successfully complete all the assessments, in accordance with the established passing grade, will receive a UNITAR certificate.
